
MERSEN'S CSR PERFORMANCE RECOGNIZED BY ECOVADIS

PARIS, SEPTEMBER 25, 2025 – Mersen (Euronext FR0000039620 – MRN), a global expert in electrical power and advanced materials, has just been awarded the silver medal in its latest EcoVadis¹ assessment.

This result places Mersen among the top 15% of companies rated by EcoVadis and among the top 3% of companies in its industrial sector.

Salvador Lamas, Chief Operating Officer, said: "This year's score of 75/100 shows further improvement over last year and attests to the teams' commitment to a more responsible and transparent value chain. It positions Mersen as a trusted partner for its customers and suppliers. Our customers expect us to deliver both technical performance and responsible performance. The EcoVadis rating is an indicator of confidence in pursuing partnerships based on transparency and sustainability."

This assessment is based on a comprehensive set of criteria evaluating the Group's actions and policies in the areas of the **Environment, Working conditions, Ethics and business practices, and Responsible purchasing.**

¹ EcoVadis is an independent global platform for assessing corporate performance in terms of corporate social responsibility (CSR).
